SCHOOL REPORTS

Students of Manav Sthali School, R Block, New Rajendra Nagar, visit Mexico school as part of the Int'l Exchange Programme

NEW DELHI: As part of the International Exchange Programme, five students of Manav Sthali School (MSS), R Block, New Rajendra Nagar, visited NC School, Mexico, under the leadership of Sonia Wahi.

The students were Prateeksha, Tanish Juneja, Manvik Juneja, Anushray Walia, and Suhaan Sikka.

The rich legacy of MSS has been its holistic education and nurturing global citizens. The ISSE programme, under the leadership of director and founder principal Mamta V. Bhatnagar, exemplifies the institution's ideology of broadening the global perspectives from 1984 – 2000. The founder principal had led the first exchange programme between India and Mexico, creating lasting bonds of friendship with the Mexicans.

Carrying forward the trend, current principal Dipti A. Bhatnagar, along with International Exchange Coordinator Rashmi Chawla, revived the International Exchange Programme under MSS Bridging Borders

with the motto of Exchange, Engage, and Enrich in collaboration with ISSE. Visiting students were warmly received by their Mexican leader, Rosa Elena, along with five Mexican students and their families who had visited India in July 2024.

The delegation was welcomed by NC School. As part of the ISSE programme, the delegation took part in a series of enriching field trips that offered insights into Mexico's vibrant culture, history, & natural beauty. The thoughtfully curated visits by Rosa & NC School team included Papalote Museo del Niño, Downtown Mexico City, Zócalo (Main Square), Metropolitan Cathedral, Palacio de Bellas Art, to name a few.

Indian Day was celebrated with great pride and fervour at the school auditorium, reflecting the spirit of unity, diversity, and patriotism that defines India. That event was attended by over 120 students and Mexican parents. The event was inaugurated by Elementary School

The delegation of five MSS students took part in a series of enriching field trips that offered insights into Mexico's vibrant culture, history, and natural beauty

director Gaby. The day served as a tribute to India's rich heritage with the recital of patriotic songs and graceful dance performances. Engaging activities such as quizzes were also conducted by the Indian students with their Mexican counterparts, further enhancing the spirit of friendship and cultural bonding.

The ISSE group participated in an engaging camp programme, exploring a variety of enriching activities. The programme concluded, marking the end of a memorable & enriching journey of learning, bonding, and personal growth. MSS students returned with hearts full of joy, cultural insights, unforgettable experiences, and everlasting friendships beyond oceans, language, & culture.
