

Monthly Flash....!

March 2025

"In March, let your mind bloom like spring – eager to grow, ready to learn."

In the month of March, students reflected on their learning and experiences from previous academic year. Taking a step forward towards environmental awareness, they created posters on reducing carbon footprints. They also showcased innovation by designing robots aimed at cleaning the city.

A solemn tribute was paid on his Punya Tithi of our revered Founder Chairman Sir, Dr. V.K. Bhatnagar, as students and staff offered heartfelt obeisance in his memory.

Students enjoyed a warm and joyful community lunch, fostering a sense of togetherness and bonding.

On the occasion of Founder's Day celebrations at ICAR, students enthusiastically participated in the quiz competition, enhancing their knowledge and broadening their perspective.

As part of the Manavta Drive, children performed Jal Seva at Gurudwara Nanak Piao, promoting values of selfless service to the society and compassion for fellow human beings.

Students also visited the Annual Exhibition at the College of Art, where they explored creative works and actively participated in a speech competition, expressing themselves clearly and confidently.

Under the School Innovation Council, students attended the International Agriculture and Horticulture Expo'2024, organised by the National News Service, gaining requisite exposure to innovations in sustainable farming and Agri-tech.

As always, the students of Manav Sthali School brought laurels to the organisation by excelling in various sports competitions both at the National and International level, exhibiting great teamwork and unwavering sportsmanship.
