Nov 2024

November celebrates Children's Day, honouring the innocence, joy, and potential of every child. It's time to nurture the young minds that shape our future. Childhood is about happiness, freedom and playfulness. Happy Children's Day!

As part of our commitment to social responsibility, we planned a 'Manavta' initiative with a visit to a local orphanage, aiming to instill empathy and community service values in our students.

On November 9, 2024, teachers participated in hands-on Cardiopulmonary Resuscitation (CPR) training. The training was organized to equip educators with the skills needed to respond effectively during medical emergencies. Certified instructors demonstrated proper CPR techniques, including chest compressions and rescue breaths.

As part of a Maths activity on the topic of Money, Primary students visited Spar at the Pacific Mall. They practiced calculating bills based on their purchases, enhancing their understanding of practical financial concepts.

Remedial Classes were conducted for the new admissions, to help the students bridge learning gaps and adapt to the Curriculum. These sessions aimed to provide personalized support and build a strong academic foundation.

Screening of the movie Chuppi Todo was organized to raise awareness among students about the harmful effects of bullying and to foster a culture of empathy and respect. This initiative aimed to create sensitivity and understanding, encouraging the students to stand against bullying and support a safe, inclusive environment for everyone.

Manav Sthali School organised a visit to the RAJPUTANA RIFLES REGIMENTAL CENTRE on 8th of November, 2024. This visit proved to be an unforgettable learning opportunity for our students, providing them with a unique insight into the life of soldiers and the rich history of the Rajputana Rifles. Interaction with the soldiers was particularly inspiring, as the students were able to learn about their daily routines, the challenges they face and the importance of teamwork, perseverance, and duty. The engaging and interactive session that allowed the students to bond with the soldiers was the highlight of the visit. The experience not only broadened our students' understanding of the life of a soldier but also inspired them to imbibe values of discipline, hard work, and patriotism.

The School also organised the Dr. V. K. Bhatnagar Memorial XXXVIII Manav Sthali All India Inter School Maths Talent Test on 30th November 2024. This year more than 27 schools across Delhi/NCR participated in the Talent Test, making it a huge success.
