Monthly Flash...!

Sep 2025

*Teachers inspire dreams, ignite curiosity and shape the future,
leaving an indelible mark on every life they touch.*

The month of September was marked by a vibrant blend of learning, creativity and celebration at school. Teachers' Day was observed with immense zeal in the school conference hall, where students and staff came together to express heartfelt gratitude and appreciation for their mentors. The celebration came alive through engaging cultural performances and warm gestures, creating a memorable tribute to the teaching fraternity.

Adding to the month's enthusiasm, the Annual Inter-School Fest *Manifestations-III* continued with two enriching events. *Brains 'N Games* offered young learners an exciting platform to demonstrate creativity and critical thinking through enactments and curriculum-integrated fun games inspired by the United Nations Sustainable Development Goals. The event encouraged responsibility, leadership, and innovation while promoting awareness about global issues such as Quality Education, Good Health and Well-Being, Climate Action and Responsible Consumption. *Perceptions* showcased linguistic and intellectual brilliance through thought-provoking TED Talks, soulful Sanskrit Shloka Uchharan, creative French and German character enactments, expressive Hindi Vyakhyan and the much-loved Triwizard Trivia Tournament inspired by Harry Potter.

Complementing these events were a series of meaningful activities. A Road Safety Awareness session instilled responsible behaviour among students as pedestrians and commuters. *Mindful Monday* activities promoted creative expression and logical reasoning through poetry and problem-solving tasks. A Poster-Making Activity on Rabies Awareness combined artistry with a valuable health message, while the *Healthy Eating Workshop* guided students toward mindful dietary choices. Certificates of achievement were presented to Logiquids Champions for their logical excellence. Additionally, Class XII students visited the Akashvani Studio for a discussion on New Age GST Reforms, later broadcast on 102.6 FM Rainbow. Students also participated in a Sustainable Development Seminar at WeWork, interacting with experts and showcasing innovative ideas that reflected their awareness, confidence and commitment to a better future.

दूसरों की बातों को धैर्य से सुनना ही सहिष्णुता का पहला कदम

जासं, नई दिल्ली: समाज या विद्यालय में आपसी सम्मान और सहयोग बनाए रखने के लिए सहिष्णुता सबसे आवश्यक गुण है। सहिष्णुता का अर्थ केवल सहना नहीं है, बल्कि दूसरों की बातों को धैर्य से सुनना और उन्हें महत्व देना है। जब हम सामने वाले की राय सुनने के लिए तैयार होते हैं, तभी संवाद और समझ का मार्ग खुलता है। सहिष्णुता सामंजस्यपूर्ण समाजों

की आधारशिला है, जो विविधता के बीच समझ, स्वीकृति और एकता को बढ़ावा देती है। व्यक्तिगत दृष्टिकोणों का सम्मान करने से समृद्ध समुदाय बनते हैं।

सहिष्णुता पूर्वाग्रह, कट्टरता और भेदभाव की बाधाओं को तोड़ती है और

ऐसे माहौल का निर्माण करती है जहां हर कोई अपने अद्वितीय योगदान को महत्व देता है। जैसे-जैसे

हम अपनी परस्पर जुड़ी हुई दुनिया की जटिलताओं से निपटते हैं, सहिष्णुता को प्राथमिकता देना एक नैतिक अनिवार्यता और लचीले, समावेशी समाजों के निर्माण के लिए एक व्यावहारिक विकल्प बन जाता है। -सान्वी सभरवाल, कक्षा-10, मानव स्थली स्कूल
