## MANAV STHALI SCHOOL BRIDGING BORDERS INDIA and MEXICO

### INTERNATIONAL SCHOOL TO SCHOOL EXCHANGE PROGRAMME

A strong and distinct facet of Manav Sthali School's legacy has been its holistic education and preparing the students for a Global footing. The revival of ISSE Programme, which was part of the school's education system in order to fabricate Global Citizens exemplifies the ideology of broadening the perspectives. The International School to School Experience

Programme was initiated in the year 1984 under the leadership of Director and Founder Principal, Mrs. Mamta V. Bhatnagar taking Manav Sthali School ahead of its time back then.

The first exchange was between India and Mexico led by Director Ma'am, thus creating lasting bonds of friendship with the Mexicans. Carrying the torch of conviction forward, Principal Mrs. Dipti A. Bhatnagar, along with Ms Rashmi Chawla, International Exchange Coordinator have revived the International Exchange Programme under MSS Bridging Borders (Exchange, Engage, Enrich) in collaboration with International School to School Experience (ISSE).

In this endeavour, Manav Sthali School hosted the Mexican delegation of 04 children- 02 Boys and 02 Girl delegates along with a leader under International School to School Exchange Programme from July 25th, 2024 to 13th August, 2024.

**Our mission is to provide a congenial and safe environment to foster our students holistically into empowered, compassionate, skilled global citizens who will take our country to greater heights. Our focus is towards well balanced development of every child: physically, intellectually, creatively, emotionally, spiritually, morally and aesthetically.**

The entire span of three weeks was well planned for them here, keeping in mind the traditions and cultures of both the countries.

Mexican delegates arrived on Wednesday, 25th July, 2024 and were given a formal welcome in the Indian traditional way on Friday, 27th July, 2024 in the school.

The Indo-Mexican Cultural Day was organised on Friday 9th August, 2024 wherein Ms. Vaneesa Espinosa, Head of the Cultural Department at the Embassy of Mexico in India graced the occasion as the Guest of Honor.

Mr. Anurag Bhatnagar, Vice Chairperson of the Managing Committee of Manav Sthali School was invited as the Chief Guest.

The celebration of the “Cultural Day was a reflection of our ideologies of Universal connect and bonding to broaden the perspectives. Therein, we celebrated the rich cultures and traditions of India and Mexico with a variety of activities including the Mexican music, dance and performances. The delegates celebrated diversity imbibing the beauty of the rich traditions of both the countries.

Ms. Vaneesa Espinosa expressed her joy and happiness on this enriching Confluence while appreciating the endeavours taken up for a beautiful Global Connect.

The Mexican delegation comprised of the leader Ms. Rosa Elena Ponce de leon, English teacher of NC School CDMX along with the child delegates Eleanor Mae, Sofia, Mikel and Bruno.

The Indian delegates are Pratiksha, Suhaan Sikka, Anushray Walia and Divyana Handa with Ms. Sonia Wahi and Ms. Mani as the leaders. They are scheduled to go to Mexico next year for a duration of three weeks.

As per our Principal Ma'am MS. DIPTI A. BHATNAGAR, “Bridging borders- upholding the international policy of Manav Sthali School and taking it a step further, the School to School Exchange Programme between Manav Sthali School and NC School, between India and Mexico has indeed been a highly successful interaction. Above all ,through such exchange programmes we learn to celebrate the commonalities and respect the differences between the cultures of the countries. In future, we hope to form a school- to -school connect with various other countries as well.”

This Exchange Programme would embolden the students to discover new ways of adaptability and learning to be a part of the Global World. While being humane and empathetic, the children will learn to respect each other's cultures and traditions and work for Global Peace and Universal Brotherhood... Bridging Borders for a Global Connect.

### SCHOOL IS COOL

TUESDAY, AUGUST 6, 2024

It's not just a place where you get to learn Einstein's Theory of Relativity. It's also a place where you can think beyond the classroom. Hence we say, **SCHOOL IS COOL**

## Manav Sthali School welcomes delegation from Mexico

**C**arrying the torch of conviction forward, Dipti A

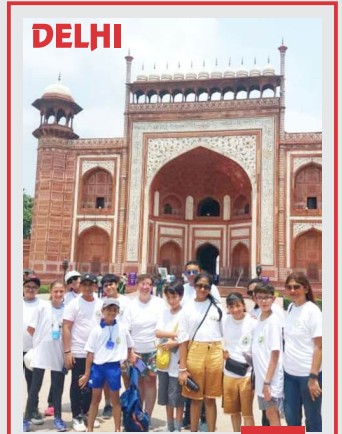

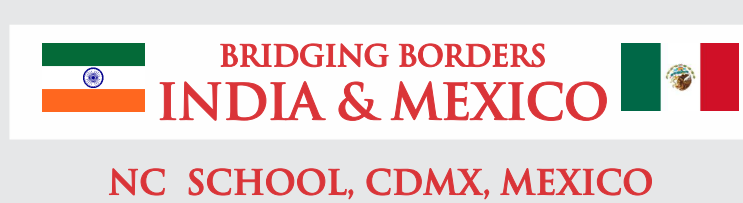

Bhatnagar, principal, Manav Sthali School, Rajinder Nagar, along with Rashmi Chawla, International Exchange Coordinator have revived the International

Exchange Program under MSS Bridging Borders (Exchange, Engage, Enrich) in collaboration with International School to School Experience (ISSE). The ISSE programme by the school was first initiated in the year 1984 by director & founder principal Mamta V Bhatnagar with Mexico. Recently, the school played host to Mexican delegation including four children Eleanor Mae, Sofia, Mikel, and Bruno along with a leader under International School to School Exchange Programme. The Mexican leader is the principal of NC School, CDMX Rosa Elena Ponce de

Leon, she is also an English teacher with an experience of over 18 years in the field of education. The delegation was given a formal welcome in the Indian traditional way by Ms Sonia and Ms Mani. The programme began with the lamp lighting ceremony symbolising the spiritual and divine connect followed by the Ganesh Vandana reflecting peace and harmony. Pravikaa and Pranya Bhatnagar welcomed the child delegates. The welcome party was a perfect beginning to the three-week exchange programme that aims to 'Bridge Borders' for a Global connect.

### MANAV STHALI SCHOOL ORGANISES INDO MEXICAN CULTURAL DAY

**M**anav Sthali School, Rajinder Nagar, hosted the Mexican delegation of four children - two boys and two girls delegates along with a leader under the International School to School Exchange (ISSE) programme. The ISSE programme was initiated in the year 1984 by its director and founder principal Mamta V Bhatnagar. The delegation was given a warm welcome in the traditional Indian way and then organised the Indo-Mexican cultural day. Vaneesa Espinosa, head of the cultural department at the Embassy of Mexico in India graced the occasion as the chief guest. Anurag Bhatnagar, vice chairperson of the school managing committee was invited as the guest of honour. The celebration of the cultural day was a reflection of school's ideologies of universal connect and bonding to broaden the perspectives. The programme began with an invocation to Lord Ganesha followed by the welcome of the dignitaries. Thereafter, rich cultures and traditions of India and Mexico were displayed with a variety of activities including Mexican music, dance and performances.

The delegates celebrated diversity imbibing the beauty of the rich traditions of both the countries. Vaneesa Espinosa ex-

pressed her joy and happiness on the enriching confluence while appreciating the endeavours taken up for a beautiful global connect. The Mexican delegation comprises Rosa Elena Ponce de Leon, Elementary English Principal NC School along with the child delegates Eleanor Mae, Sofia, Mikel and Bruno. The Indian delegate are Pratiksha, Suhasan Sikka, Anushray Walla and Divyana Handa with Sonia Wahi and Ms Mani as the leaders. They are scheduled to go to Mexico in the month of December for the duration of three weeks. Dipti A Bhatnagar, the host school principal was elated to host the delegation and shared, "Bridging borders - upholding the international policy of Manav Sthali School & taking it a step further, the School to School Exchange Programme between Manav Sthali School & NC School,

between India & Mexico has indeed been a highly successful interaction. Above all, through such exchange programmes we learn to celebrate the commonalities & respect the differences between the cultures of the countries. In the future, we hope to form a school-to-school connect with various other countries too."

The Mexican delegation was all praises for India. Ms Elena said, "The culture can be different, but humanity is the same across borders. We received so much love and compassion here in India that it is difficult for us to bid

goodbye to our extending families here. The school here has been a wonderful host. Now we are waiting for them to come to Mexico and experience our country." Talking about their experience, the four students from Mexico were all excited, "I loved the mangoes here. They taste so different and juicy. Also, here there are so many different activities like pottery that we enjoyed a lot. We look forward to coming back here again!"

## ATAL TINKERING FEST 2024 - TECHNOVANZA 4.0

'Technology is best when it brings people Together'

- Matt Mullenweg

To unfurl the power of innovation and creativity, Manav Sthali School, R Block, under the aegis of Director and Founder Principal, Mamta V. Bhatnagar, organized the MSS ATAL TINKERING FEST TECHNOVANZA 4.0, an Interschool Competition.

The motive of the competition was to make young learners develop and hone their innovation skills based on the Sustainable Development Goals, to think out of the box, be constructive and future ready.

The competition was conducted in two rounds, covering a wide range of events like Scratch and Animate, Game-O-Frenzy, Prayojna, Anveshan and Dragons's Den. 13 schools participated in round one, conducted through online mode. Seven schools were then shortlisted for the final round, which was conducted on 16th July, 2024.

The Second Round, which was offline, was judged by Dr. Annu Malhotra, who is an accomplished Associate Professor of Physics at St. Stephen's College, Delhi University. Her professional portfolio extends beyond teaching, encompassing diverse roles. Dr. Malhotra's presence and expert judgement paved the path for all the participants to take a leap, explore and innovate beyond imagination.

The young learners came up with mind-boggling solutions, as they delved into the world of AI and Innovation. The winners were awarded with Medals and Certificates. With a competition like this, we are sure that we have sown seeds of innovation and these young innovators would place India strong and high on the innovation map.

The commendable leadership and guidance of Principal, Mrs Dipti. A. Bhatnagar has always empowered the children to develop critical skills and innovative thinking.

## Janmashtami Celebrations.... at Manav Sthali School

The Janmashtami Celebrations in the School filled the hearts of students, teachers, and parents with joy and devotion. The event showcased the students' creativity and enthusiasm through the depiction of various facets of Lord Krishna's life..

A beautifully crafted mandir, adorned with vibrant lights and fragrant flowers, was the highlight of the Celebrations. The students offered their prayers to seek blessings from the Almighty.

The live tableaux, depicting various episodes from Shri Krishna's life, were a visual treat, captivating the audience with their vivid portrayal. The students' performances brought the mythological tales to life.

The highlight of the evening was the live dance drama, "Krishna: The Light of Our Lives." The energetic and graceful performances left the audience spellbound, conveying the significance of Lord Krishna's teachings and his eternal presence in our lives.

The event was graced by our Director and Founder Principal, Mrs. Mamta V. Bhatnagar, and Principal, Mrs. Dipti A Bhatnagar. Parents in attendance praised the school's efforts, appreciating the opportunity given to their children to connect with their cultural heritage.

The Janmashtami Celebrations fostered a sense of community, spirituality, and artistic expression. The event will be etched in the memories of all who attended, inspiring students to embrace the values and teachings of Lord Krishna.

## Celebrating India's 77th Independence Day

On August 13 ' 2024 , MSS celebrated India's 77th Independence Day with great enthusiasm. The event was a tribute to the freedom fighters who sacrificed their lives for our Nation's independence. The programme began with the hoisting of the National Flag by our Principal, followed by the National Anthem.

Emphasizing the significance of Independence Day, the students sang patriotic songs, filling the atmosphere with national pride. The dance performance that followed, depicted India's struggle for freedom. Thereafter, students delivered speeches on the importance of independence and the contributions of freedom fighters in our country's independence. "The heroes of freedom" showcased the sacrifices made by our national heroes Mahatma Gandhi and Bhagat Singh.

The programme concluded with a Vote of Thanks. The event was a fitting tribute to our Nation's independence and a reminder of our responsibility to preserve the same with pride and dignity..

The following activities were conducted for Classes I to XII to mark the celebrations.

- Classes 1 and 2 dressed up as freedom fighters.
- Class 3-prepared Tricolour Food (Cooking without Fire)
- Classes 4 and 5 - made Tri coloured Kites
- Class 6 and 7 made Tricoloured Bookmarks and Posters on struggle of Independence
- Class 8 made Tricoloured Badges
- Class 9 made Tricoloured Bunting
- Class 10 made Posters on My India My Pride
- Class 11 did Rangoli making
- Class 12 had a Discussion on Progressive India

## International Primary Wing

### Exit Point

*"If you nurture the root, you don't have to bother about the fruit, it will come naturally."*

With this quote Manav Sthali School International Primary Curriculum celebrated their Exit Point of all 3 Mileposts with great zeal and enthusiasm, under the guidance of our Principal Mrs Dipti A. Bhatnagar.

Exit Points are the final step in the students' learning journey. During a Unit of Study on Plants, their growth and their importance, the children showcased their learning on the 8th and 9th of August, 2024 at the International Primary Curriculum Wing of the School.

The children were thrilled and delighted to perform and celebrate their learning in the presence of Principal Mrs .Dipti A Bhatnagar, Mrs. Rashmi Chawla, Coordinator for ISSE Programme, Mexican Delegates and the Parents.

Children of Grades 1 and 2, under Milepost 1 'Green Fingers' sang beautiful songs on the parts and needs of a plant to grow well. They also demonstrated with an action song on how a plant grows explaining the process of photosynthesis. Parents were amazed to see their kids perform with confidence and enjoyment.

For Milepost 2 – ( Grades 3 and 4 ), Children showcased their learning by enacting themselves as different parts of the plants, explaining their functions elaborately. They also sang and danced on the food chain song depicting the dependency and importance of producers and primary and secondary consumers in our ecosystem.

For Milepost 3, the Unit was Roots, Shoots and Fruits, wherein the children demonstrated their learning and research work by conducting an experiment on how the vascular tissues inside the plants supply them food, water and minerals. They also apprised the parents of the function of leaves and how one can differentiate or recognize the plants having tap root or fibrous root just by looking at the leaves.

Parents thoroughly enjoyed the performances.

Through this Unit of Work; our children learnt about three personal goals of International Primary Curriculum namely Respect, Adaptability and Resistance.

## Capacity Building Programme for Teachers on Cyber Security and Safety

*organized by Centre of Excellence - C.B.S.E*

It was a well-organized and well framed workshop on Cyber Security and Safety. Speakers introduced the topic with various relevant videos, followed by discussion and instances on the topics like:

- |                       |                    |
|-----------------------|--------------------|
| 1. Cyber security     | 2. Internet        |
| 3. Cyber Crime        | 4. Domain spoofing |
| 5. Phising/ Vishing   | 6. Cyber bullying  |
| 7. Web Apps           | 8. Cloud Computing |
| 9. Internet of things | 10. Anti virus     |
| 11. Computing Ethics  |                    |

The discussion on these topics, with relevant instances and stories referred by CBSE and various government portals to keep one safe, made the workshop quite interesting. They also created awareness about repercussions of not using Internet wisely. Hence, the need to start digital literacy at an early age.

It is for us to understand that our digital impression reaches before us, therefore one has to be updated, alert and vigilant while using the Internet.

## Recognizing Commitment: 100% Attendance Awards at MANAV STHALI SCHOOL

The school recently celebrated the exceptional dedication and resilience of its students with the 100% Attendance Awards, for Session 2023-24, presented by our Principal, Mrs. Dipti A. Bhatnagar. In a world where challenges and distractions are abundant, these ten remarkable students stood out by attending every single day of the academic year, showcasing their unwavering commitment to their education. Their consistent presence is not just a matter of attendance; it reflects their strong determination, discipline, and enthusiasm for learning, which are the integral values at Manav Sthali School.

The Award ceremony was a moment of pride, not only for the recipients but also for their families and teachers, who have supported them throughout their journey. As Principal Ma'am handed out the certificates, she highlighted the importance of persistence and dedication and the qualities that these students exemplify daily. The recognition serves as an inspiration to their peers, encouraging others to embrace the virtues of punctuality and regularity in their academic pursuits.

Manav Sthali School believes in nurturing well-rounded individuals, and attendance plays a crucial role in a student's holistic development. These acknowledgements are not merely about perfect records but about instilling a sense of responsibility, time management, and commitment that will benefit students far beyond their school years. The recipients of this certificate embody the ethos of Manav Sthali School—excellence, perseverance, and a relentless pursuit of knowledge. We congratulate these students on their outstanding achievement and look forward to seeing them continue to shine in their educational journey.

## Bastille Day

Manav Sthali School celebrated Bastille Day with great zeal and fervour. Bastille Day, also known as the National Day of France is celebrated on 14th July every year. The day was celebrated in the school on 12th July, 2024 in order to make children understand the principles of Liberty, Equality and Fraternity.

A special Assembly was conducted by the French students to enlighten the history of Bastille Day and how people celebrate this day in France, followed by the French National Anthem 'La Marseillaise'. The children were also shown the videos on the History of Bastille Day and how the day is celebrated in France.

The students then participated in engaging activities such as Badge making by using the French Flag Tricolour and Charts on National Symbols of France. They made Bookmarks with slogans by French sports personalities and Collage on Olympic players of France. Posters were made on the topic 'OLYMPISM', the theme of the Bastille Day this year.

The programme ended by making the students familiar with the slogan - “VIVE LA FRANCE ”

## Inauguration of Basketball Court

## Raksha Bandhan Celebrations

The school organized a visit to the New Rajendra Nagar Police Station Headquarters with 20 students from Classes XI-XII, accompanied by teacher in-charges Dr. Supriya Sharma and Mr. Pankaj, to celebrate the special occasion of Raksha Bandhan festival, on August 16, 2024.

The students expressed their gratitude by tying rakhis and distributing sweets, symbolizing protection, appreciation, and the strength of all the police officers and personnel at the headquarters.

In return, the police officials and staff extended their heartfelt wishes to the students and teachers of MSS as a token of immense love and trust, promoting mutual harmony within the society. This kind gesture was a tribute to the police department's dedicated efforts in maintaining law and order. The officers also distributed sweets and chocolates to the students and clicked pictures to showcase the synergy and goodwill within the community.

## Celebration of Shiksha Saptah (July 22-28, 2024)

The Ministry of Education, Government of India, celebrated “Shiksha Saptah” from July 22-28, 2024, to commemorate the fourth anniversary of the National Education Policy (NEP) 2020.

Manav Sthali School celebrated the week with great enthusiasm, organizing a series of activities focusing on collaboration, innovation, and holistic development.

Throughout the week, students engaged in a wide range of activities. Creative and environmental initiatives included designing bilingual posters, creating 3D models of Hindi stories, Jaadu ka Pitara and pledging to uphold cleanliness and environmental conservation. The Foundational Literacy and Numeracy (FLN) mission was promoted through interactive sessions like reading challenges, maths quizzes, videos and posters.

Sports activities(indigenous games) were highlighted, encouraging teamwork and inclusivity, with participation from all students, including those with special needs and community involvement.

Cultural appreciation was celebrated with displays of traditional attire, art forms like Madhubani and Gond, and folk dances, food stalls, museum and music, emphasizing India's rich heritage and diversity.

Skill development was the key focus, with workshops on pottery, bamboo crafts, bag making and coding, aiming to enhance creativity and employability. A meaningful plantation drive integrated environmental stewardship into education, as students and their mothers planted saplings on campus.

The week concluded with a focus on community involvement, promoting socio-emotional well-being and skill development through initiatives like the Wall of Fame and awareness about the Vidyanjali programme. This highlighted the school's commitment to fostering community engagement.

Overall, Shiksha Saptah at Manav Sthali School was a success, enriching students' educational experiences through creativity, cultural appreciation, skill development, environmental consciousness, and community participation.

## Workshops

### Space and Astronomy Workshop

Daksh Jain of Class X B recently participated in an astronomy workshop held at the American Centre on 27.08.2024, organized with the help of Space India Organisation. In this workshop, a total of 30 students were divided into six teams. Each team was tasked with assembling their own Pragyan Rover, including putting together the electronics. They then programmed their rover's remote control to move forward, backward, right, and left.

After completing the programming, the teams faced a unique challenge where they had to replicate the same movement that the real Pragyan Rover performed on the moon. This challenge not only provided the students with the required educational experience but also enhanced their technical and programming skills. The process allowed them to understand the basic concepts of real-world engineering and space exploration, which was both significant and inspiring for them. This workshop boosted the students' scientific curiosity and acted as the key factor in preparing them for future space missions.

### Workshop by Times of India (NIE)

A workshop on career options in India and Abroad was conducted on 23rd August, 2024 by Times of India (NIE).

The primary goal of the workshop was to provide students in their pivotal academic years, with valuable insights into various career paths, helping them make informed decisions about their future academic and professional journeys.

The workshop commenced with an introductory session led by Mr Alok Bansal, a renowned career counsellor with extensive experience in guiding students through career choices. It also focused on career options available for students, in India and Abroad.

By providing them with the tools and knowledge to make informed decisions, the workshop played a crucial role in helping the students take proactive steps towards their future careers.

Overall, it was an enriching session that helped students in navigating their future paths.

### Sleep Disorder Workshop at MANAV STHALI SCHOOL

MANAV STHALI SCHOOL organized a highly informative and engaging Sleep Disorder Workshop on 19th July, 2024 for the students of Classes VI to VIII. The workshop aimed to educate students about the importance of sleep, common sleep disorders, and strategies to improve sleep hygiene.

Dr. Latika Bhalla, Senior Consultant at Sir Ganga Ram Hospital shared valuable insights into various sleep disorders such as insomnia, sleep apnea, and restless legs syndrome. Through interactive discussions and practical tips, students learned about the critical role of sleep in overall health and well-being.

## Visits

### ■ VISIT TO COCA COLA HAPPINESS FACTORY

The students of Class 10 visited Coca Cola Happiness Factory Moon Beverage Ltd in Ecotech 3 Greater Noida along with Ms. Pratibha Thakur and Mr. Amitabh Mathur on, 29th July, 2024.

The visit to Coca Cola factory was an eye-opening experience that provided valuable insights into the manufacturing process and the inner workings of a Global brand. Coca Cola's journey from humble beginnings to a cultural icon is the testament to innovation and marketing brilliance. The practical experience helped in bridging the gap between the classroom learning and practical learning and this exposure equipped the students with valuable insights that can be applied in our future endeavours.

In the world of iconic beverages, none has carved a more profound legacy than Coca Cola. The story of Coca Cola is a fascinating journey through innovation, marketing genius and cultural influence.

The tour commenced with a video that was a perfect summarization of how something as simple as a beverage can positively impact people worldwide. It was very captivating to see the entire bottling process in action, from the initial stages of mixing ingredients to the final packaging. The automation and precision involved were practically impressive. The guides who were very interactive and communicative, helped the students understand the process better.

Such visits are highly appreciated and looking forward to many more visits like these in the future.

### ■ Visit to Vigyan Bhawan to attend the Book Launch of Digital Shakti 5.0

Digital Shakti is an initiative aimed at empowering women and young girls with essential Cyber Skills and knowledge. This initiative aims to bridge the skill gap, foster digital literacy, and instill a culture of empowerment, marking a collaborative effort to empower women.

Ms. Anita Ratan and Ms. Nidhi Kapoor attended the Book launch along with 35 students of Classes 11th and 12th on 5th July'24.

## ■ Visit to Government Achievements and Schemes Expo 2024 (Pragati Maidan)

On July 22, 2024, Ms. Anita Ratan, Ms. Anjali Gulati, and Ms. Anushka, accompanied by a group of 20 students, attended THE INTERNATIONAL AGRICULTURE AND HORTI EXPO at Pragati Maidan. This event, organized by the NNS Media Group, featured the GOVERNMENT ACHIEVEMENTS AND SCHEMES EXPO 2024, providing an extensive overview of the latest developments and initiatives in the field of agriculture and horticulture.

The expo was a vibrant showcase of agricultural advancements and innovations. Stalls from prominent cooperatives like AMUL, Evergreen Organics displayed their products, highlighting the significant contributions of these organizations to the sector. Additionally, farmers presented their unique innovations, demonstrating practical solutions and creative approaches to modern farming challenges.

The event also celebrated India's rich cultural heritage through a diverse array of handicrafts from various states across the country. This aspect of the expo offered a colourful and insightful look into the traditional crafts that play a vital role in India's cultural and economic landscape. The students and teachers enjoyed exploring the different stalls and gaining firsthand knowledge about the intersection of agriculture, innovation, and culture.

## ■ गौशाला भ्रमण

शुक्रवार , दिनांक 30/ 8 /2024 को हमारे विद्यालय मानवस्थली स्कूल, आर ब्लॉक न्यू राजेंद्र नगर की संस्थापक महोदया श्रीमती ममता वी. भटनागर जी के शुभ आशीर्वाचनों द्वारा, हमारे विद्यालय के छात्र-छात्राओं को आर्य कन्या गौशाला ले जाया गया। मानवता परियोजना के अंतर्गत बच्चों ने वहां गौ माता को अपने हाथों से चारा, गुड़, फल और सब्जियां आदि खाद्य पदार्थ खिलाया। इस प्रकार का उत्तम कार्य करने के लिए हमारे विद्यालय की प्रधानाचार्या श्रीमती दीप्ति ए. भटनागर जी बच्चों को सदा प्रेरित करती रहती है। वेदों और उपनिषदों में भी कहा गया है कि-

यत्पुण्यं सर्वयज्ञेषु दीक्षया च लभेन्नरः । तत्पुण्यं लभते सद्यो गोभ्यो दत्त्वा तृणानि च ॥

अर्थात् - सारे यज्ञ करने में जो पुण्य है, और सारे तीर्थ नहाने का जो फल मिलता है, वह फल गौ माता की चारा डालने से सहज ही प्राप्त हो जाता है।

## ■ A Visit to Akshardham

A trip to Akshardham temple was organised for the Tourism Student of Classes IX, X and XI on 23rd August, 2024. They learnt about the teachings of Lord Swami Narayan, cultural legacy of thousands of years, cultural exhibits symbolising harmony and unity and wonderful architecture of the temple, through this visit.

Main attractions of the temple are:

- Musical Fountain Show or Water Show
- The cultural Boat ride
- Gardens and lawns
- Exhibitions – Sahajanand Darshan, Neelkanth Darshan and Sanskruti Darshan
- 

All exhibitions are executed in three different large halls and are a perfect amalgamation of culture, art, traditions and latest technologies. Our students enjoyed the intricate art and flawless craftsmanship of the temple.

The purpose of this visit was basically to evoke the eternal values, virtues and principles which are mentioned in the Vedas and Puranas of Hindu mythology.

Overall it was an informative, inspirational, educational and joyful learning experience for the students.

### Comprehensive security system installed at Manav Sthali School, R Block, New Rajendra Nagar

Manav Sthali School, R Block, New Rajendra Nagar, enhanced its campus safety by installing a comprehensive security system. Along with its experienced and well-trained security guards, over 135 security cameras across the school campus, biometric attendance system, GPS and biometric buses and the state-of-the-art PA system, the school now added a bag scanning machine to its campus.

After the installation of the system, the bags of students, staff members and third-party visitors are scanned daily during arrival and dispersal times. That proactive measure aims to enhance campus safety and the well-of the students and staff by preventing prohibited materials from reaching the school premises.

The school has a strict policy against some items on its campus, such as sharp objects, alcoholic bev-
