

Monthly Flash...!

Dec 2025

*"A Founder's vision serves as a guiding light for the future,
and his legacy continues to inspire generations
to pursue excellence with purpose."*

December at Manav Sthali commenced on a reverential note with the celebration of Founder's Day, commemorating the illustrious legacy of an eminent educationist and a great visionary, our revered Founder Chairman Sir, Dr. V. K. Bhatnagar. The occasion was solemnly marked by a Hawan ceremony, held as a heartfelt tribute, reaffirming the institution's enduring commitment to the values and ideals he so passionately upheld.

Further, instilling a spirit of patriotism, Vijay Diwas was observed with great enthusiasm with the screening of patriotic movies, to honour the valour, courage and sacrifices of India's armed forces.

Alongside this, the students were encouraged to sharpen their logical reasoning and analytical abilities by actively participating in the Mathematics and Economics Olympiad.

To promote empathy, emotional well-being and mutual respect among the students, a range of thoughtfully planned initiatives were also undertaken. Students collectively signed a Class Agreement that emphasised kindness, honesty and a strict no-bullying policy. This was further reinforced through daily Circle Time sessions, conducted at the end of the day, wherein students were encouraged to openly express their feelings and reflect on their experiences. Strengthening this supportive framework, the MSS Teachers as Moms' initiative, enabled the students to share their concerns freely and feel cared for within the school premises.

Dedicated Sessions on Mental Well-Being and Hydro Rocketry were also organised, aiming to build emotional resilience while simultaneously igniting scientific curiosity and innovation among the students.

A Road Safety Poem Activity was conducted to sensitise students to the importance of traffic rules and responsible behaviour on the roads.

In view of rising AQI levels, Online Classes were organised in accordance with the directives issued by the Delhi Government, prioritising the health and safety of the students.

Furthermore, through Gymnastics sessions, students learned various postures and techniques that contributed to improved fitness, flexibility and physical agility.

In addition, activities marking Veer Bal Diwas were conducted to familiarise students with the inspiring sacrifices of our gurus, helping them understand the true essence of courage, devotion and resilience.

Extending learning beyond classrooms, students participated in the Online pitching round of the BingBang Innovation Challenge, organised by AIM, NITI Aayog in collaboration with ATL Saarthi, Rotary Coimbatore and iExplore Foundation. The platform enabled students to present innovative ideas and an entrepreneurial mindset.

Demonstrating civic consciousness, the students wrote postcards addressed to the Hon'ble Prime Minister of India, urging prompt action against air pollution, highlighting their awareness of environmental challenges as a national concern.

The month concluded on a joyful and inclusive note with a Community Lunch organised to celebrate Christmas.

Manav Sthali School Integrates Mental Well-Being into Holistic Education

Aligned with the vision of the National Education Policy (NEP) 2020 and the National Curriculum Framework (NCF), Manav Sthali School, Rajinder Nagar has made mental well-being a central pillar of its holistic education approach. Recognising the significance of socio-emotional learning, the school has introduced structured, age-appropriate initiatives that nurture students' emotional health, self-awareness, and self-regulation. Daily practices such as "Colour of My Day" encourage students to express emotions freely while strengthening teacher-student bonds. The "Phrase of the Day," Positive Affirmations, and mindfulness meditation sessions promote resilience, positivity, stress management, self-confidence, and inner calm. To instil democratic values and empathy, Class Agreements are implemented, fostering mutual respect, discipline, and inclusivity within classrooms. Providing a safe and non-judgmental space, the "Tell Me Anything Box" allows students to voice concerns, ideas, and emotions openly, reinforcing trust and emotional security. Additionally, leadership training programmes for Discipline Council members cultivate responsible citizenship, ethical leadership, and peer mentoring skills among students. Collectively, these initiatives strengthen emotional intelligence, learner agency, and overall well-being. By integrating mental health into everyday learning, Manav Sthali School continues to uphold NEP 2020's vision of nurturing balanced, confident, and compassionate individuals prepared to thrive academically and emotionally.

40 YEARS OF

ROOTED IN THE PAST, READY FOR TOMORROW

As Times NIE turns 40, principals and educators reminisce its journey of nurturing curiosity and fostering student engagement, while reimagining learning for the decades ahead..

We sincerely appreciate the vital role played by Times NIE in shaping our students. The Times NIE team has been consistently supportive and proactive in engaging students through group discussions, career counselling sessions, and fun-based learning activities. These initiatives have greatly enriched the overall learning experience over time. The diverse newspaper columns have further contributed by enhancing students' vocabulary and nurturing their creative thinking skills.

SCHOOL REPORTS

Manav Sthali School, New Rajendra Nagar, Building Global Citizens through Meaningful International Engagements

NEW DELHI: Manav Sthali School (MSS), New Rajendra Nagar, hosted a dynamic ISSE Exchange Programme with Mexico, under the banner of MSS Bridging Borders – Exchange, Engage, Enrich. MSS continues its unwavering commitment to nurturing globally aware, culturally sensitive and forward-thinking young citizens through a wide spectrum of enriching international collaborations and cross-cultural experiences.

The visiting delegation and MSS students engaged in immersive activities, celebrating the heritage, traditions, art and everyday life of both the nations. The vibrant exchange fostered mutual respect, intercultural dialogue and a deeper understanding of global unity. Further strengthening that international ethos, the primary wing of MSS organised an interactive online cultural exchange with the students from Japan.

The lively session featured games, quizzes, storytelling and open conversations that encouraged young learners to explore similarities and

The MSS students' visit to NASA ignited the scientific curiosity among them

celebrate differences. The experience strengthened their communication skills, curiosity and appreciation for global friendship at an early age.

Adding another milestone to the global vision, the students' visit to NASA ignited scientific curiosity and inspired dreams of innovation. Exposure to cutting-edge space research, astronaut training modules & interactive learning experiences moti-

vated the students to think fearlessly and aspire towards futuristic careers.

Guided by the visionary leadership of MSS chairperson Mamta V. Bhatnagar and principal, Dipti A. Bhatnagar, these initiatives reaffirm the school's steadfast dedication to holistic, global education—empowering students to lead with empathy, adaptability, confidence and a truly international outlook.

Manav Sthali School

Manav Sthali School, centrally located in Rajinder Nagar, Delhi, stands proud on a sprawling 3.178-acre campus surrounded by lush greenery. Its unwavering commitment to eco-consciousness, social responsibility, patriotism, tradition, and culture forms the bedrock of its 68-year legacy. Recognised as a "Leader" and one of the Best Schools in Delhi-NCR. True to its belief in holistic development, Manav Sthali goes far beyond textbooks. Students shine in co-scholastic arenas, extracurricular domains, and diverse sporting activities. A shining example is International Table Tennis Champion Sudhanshu Maini, whose achievements have brought immense pride to both the institution and the nation. Guided by the visionary legacy of

Founder Chairman Dr. V.K. Bhatnagar and Director and Chairperson Mrs. Maanta V. Bhatnagar, the school has flourished under the leadership of Principal Mrs. Dipti A. Bhatnagar, who continues to introduce innovations in teaching and learning aligned with international standards. With the introduction of the International Primary Curriculum (IPC), U.K., the school has strengthened its global connect.

Parents now have the choice between IPC and NCF – both aligned with NEP 2020 – ensuring joyful, experiential, and developmentally aligned foundational learning and SDGs. The campus is enriched with advanced facilities – a Resource Centre, Auditorium and specialised labs for Computers, Science, Mathematics, ATAL, Fashion, Media, Languages, and Legal Studies. The school also boasts of vibrant arenas for Music, Dance, Yoga, Art, Shooting, Skating, Golf, Basketball, Badminton, Chess and Table Tennis. Sustainable initiatives such as solar panels, rainwater harvesting, and paper recycling further reflect the school's commitment to environmental stewardship. At Manav Sthali, the mission is clear – to empower the younger generation with innovative, future-ready education and nurture them as global ambassadors of peace, unity, harmony and brotherhood.
